

SPECTATOR AND BUS PARKING MAP

All vehicle traffic should enter the grounds from the main entrance off Clarks Run Road across from the Mason County Intermediate School.

BUS TRAFFIC:

There is a bus drop off lane beside the Indoor Track Building. After dropping off athletes, buses should proceed through the campus and exit onto Martha Comer Drive. The school bus parking lot is directly behind the Maysville Community College building across from the Indoor Track facility driveway. There will be a shuttle bus operating throughout the day from this lot to the Indoor Track facility.

SPECTATOR TRAFFIC:

The construction of the new Middle School adjacent to the Indoor Track Facility is still ongoing. Interior streets are paved. Parking lots are paved but not stripped. Parking is first come first served. There is no sidewalk from the front parking lot to the Indoor Track facility. We will be running a shuttle bus through this lot during the day of the meet. There is overflow parking at the Mason County Intermediate School across the street and also behind the Maysville Community College. The shuttle bus will also serve these parking lots during the meet. The shuttle will begin running at 8:30 AM and continue until the conclusion of the meet.
