**Once the running events begin, we will be on a rolling schedule. In all running events, female athletes compete first. ALL running events will check in at the check in building behind the starting line. Athletes need to report to the check in on second call. Our track facility is designed in a way that all field events except the pole vault are adjacent to the check in area. This will enable athletes to check in and then report back to their field event until their event is ready to run.**
